Democratic Politics.

Watertown, N. Y., Aug. 18.—John N. Carlisle of this city, when shown the Saratoga dispatch relative to his possible selection as chairman of the Democratic state committee, said the position had not been offered him and declined to say whether he would accept it if the office were tendered him. According to Mr. Carlisle, the whole rumor originated in the gossip of politicians at Saratoga and has no significance. He further said that the matter is one to be considered at a meeting of the committee, which has not even as yet been called.

Cabrera Avenges Himself.

Mexico City, Aug. 18.—There is much indignation in Guatemala over the arrest of Reina Castillo, a nephew of General Castillo, by order of President Cabrera. The Castillo family is old and prominent and in more prosperous days offended Cabrera by refusing to recognize him on social occasions. Reina Castillo is a popular young man, and his incarceration on no proper grounds causes general indignation in Guatemala.

FEARS FOR BARON TOLL

Nothing Heard From Polar Explorer Who Started for Bennett Island.

St. Petersburg, Aug. 18.—The Imperial Academy of Sciences is beginning to entertain serious fears for the polar explorer, Baron Toll, from whom nothing has been heard since he left the yacht Zaria on May 23, 1902, in company with two Yakuts, and started for Bennett Island.

The Zaria left its winter quarters early in June of last year to find Baron Toll and his associate, the zoologist Birullu, who had gone to New Siberia. The vessel was unable to accomplish its mission and returned late in the season to the river Lena. Birullu escaped across the ice. Three relief parties were sent out by the academy early in the spring of 1903.

Lieutenant Kolchak and Engineer Brusnev, each with a number of experienced Yakuts and coast people, proceeded toward New Siberia and Bennett island, while Lieutenant Mattiesen undertook to recover the Zaria. Mr. Brusnev was also accompanied by a number of Russian and native traders, who make annual journeys to this coast for mammoth tusks and furs, while Lieutenant Kolchak took with him a portion of the former crew of the Zaria.

There seems to be no doubt that they reached New Siberia early in the season, as the ice was very strong, and the present hope is that Baron Toll may have been able to return to New Siberia.
